OTHER:

It was my grandmother who introduced me to Alaska, and at 14 years of age... I was SMITTEN! “Is it really possible to be in LOVE with a PLACE?” I wondered. I recall stepping with “Mima” onto the balcony of our cruise ship room, seeing glaciers for the first time, my ruminations were answered, it is truly possible! Though I lived in California, in Alaska I AM HOME. My passion to return to the Great Land only grew as true Love does, and upon my 20th birthday I committed my whole being to making my life here, in Alaska and since that time, I’ve only looked ahead. It’s time for me to give back to this great State from which I have received so much.

STATEMENT:

YOU MATTER.

It’s time that this fundamental truth be restored in our own lives as well as in our government.

This is my vision for District 20 our U-Med Community, and our magnificent State of Alaska.

Please join your vision with mine and know that **YOU MATTER.**

We’re a unique enclave within the larger city of Anchorage. We have centers of learning, we have hospitals, we have lovely parks and trails... we are wealthy! Amongst our great resources are the richness of our lives, our voices, our perspectives, our creativity... With these, we can become an even healthier, wealthier, and happier community leading the way for the Municipality of Anchorage and the State of Alaska.

That is how I will represent you and our community in the Alaska State House of Representatives. We all matter to each other. Let us now rally ourselves, pull together and create the neighborhood we not only deserve, but are worthy of.

Our potential is endless... We need out-of-the-box leaders who actually know this potent power and are using it to make positive changes happen. I am such a leader. As your chosen Representative, you can be assured that I know YOU are the very force that makes it so.
